

Contract with Minority Communities

The American Christian Defense Alliance, Inc. is an organization dedicated to equality and justice within our society. These are not just words within our organization as $\frac{3}{4}$ of our board members are minorities. The American Christian Defense Alliance, Inc. recognizes the inequalities/injustices of the past, and present and seeks to prevent future injustices to those who have historically had to deal with racism, prejudices, and discrimination. Therefore, to do our part we require all certified instructors to commit to an ideal –A Christian ideal of love- and sign the statement of intent below.

I faithfully vow before God Almighty that I will hold no regard for race or ethnic background and seek to the best of my ability to understand others that are different from me. I will show the utmost respect to those outside my cultural norms, race, and ethnic background. I will extend an olive branch of peace and love to those around me that may be different from me and seek to develop lasting friendships in Christ through establishing open communication with all. Though I recognize the short comings of the past and present, in my dojo I will honor the phrase, "All men are created equal before God" and never show partiality or favoritism to any student. I will seek to glorify the Lord Jesus Christ in everything I do by being a living epistle read by all men. I will seek to let my actions demonstrate the love of Christ in my daily life and show forth patience, mercy, grace, kindness and other fruits of the Spirit. I vow before God Almighty that I am not a member of any hate group or secret society and simply seek to serve the Lord of Host humbly with a pure heart and sincere conscious. To God be All the Glory, Amen!
